

The Professional Choice

Prostripe® offers the automotive aftermarket's most complete selection of professional quality pinstripes, roll solids, specialty stripes, window tint and graphic products.

Prostripe® continuously evaluates and updates its offerings to give customers the leading edge for vehicle appearance products.

Our latest additions to Prostripe® provide opportunities to increase business within your market and into new markets. Our addition of our Professional Performance Graphics program provides several new features:

- Retail store front packaging
- Drop ship programs
- Sales and Marketing Tools
- Simplified pricing

Prostripe® Catalog V.47 also features top selling items and PBE interests from our Sharpline product line eliminating the need for separate catalogs and pricing! These featured items now utilize the same discount structure and tier pricing as all other Prostripe® products.

Prostripe® provides custom manufacturing to your specifications for all pressure sensitive vinyl needs. A few capabilities include:

- State-of-the-art printing
- DDG Digital technology
- Graphic roll stripe processing
- Crystal Cap™ dimensional graphic products

Prostripe® products are produced by Sharpline Converting, Inc., a leading designer and manufacturer of innovative, top quality pressure-sensitive vinyl graphic products for many domestic and international businesses. It is Sharpline's goal to supply innovation in color, design and processing technology to all its customers. The result is an outstanding reputation in the automotive, signage, recreational vehicle, marine, architectural graphics and trade industries.
